

*Where there is Being, there is the Logos of Being.* Parmenides

Where there is Structure, there is the Power of Structure.

Where there is Truth, there is the Action of Truth.

Where there is Consciousness, there is the Reason of Consciousness.

Where there is Bliss, there is the Beauty of Bliss.

Where there is Creation, there is the Singing of Creation.

Where there is Evolution, there is the Aim of Evolution.

Where there is Universe, there is the History of Universe.

Where there is Life, there is the Expansion of Life.

Where there is Humanity, there is the Grandeur of Humanity.

Where there is Time, there is the Space of Time.

Where there is God, there is the Form of God.

Where there is Man, there is the Woman of Man.

*The end of the ways of God is corporeality.* Oetinger
