

# Prayer For Returning 2nd Ranger Battalion

Almighty God,

By your grace and their hard work stands before you the illustrious 2nd Battalion, 75th United States Ranger Regiment.

We are grateful to you and to them for fulfilling their mission to protect our Constitution and our nation from all enemies foreign and domestic. We welcome them home in love to rest and recreation.

Embrace these our beloved Rangers to your heart. May the light of your glory guide them forward every day in the path of duty well done.

Attend especially Rangers and Ranger families who grieve and those who suffer. Reconcile them with those from whom they feel estranged or separated and assuage their grief with the certainty of your almighty goodness.

In the security of our hearts, your eternal home, we pray.

Amen.
